MZN Skin Repair

A dermatologist-recommended solution powered by 2% Zinc Pyrithione and Magnesium Sulfate, scientifically formulated to treat:

- | | |
|---------------------------------|--------------------------------|
| ☀ SEBORRHEIC DERMATITIS | ☀ FUNGAL INFECTIONS |
| ☀ PSORIASIS & ECZEMA | ☀ ALLERGIC DERMATITIS |
| ☀ PERSISTENT DANDRUFF | ☀ ROSACEA |
| ☀ FUNGAL INFECTIONS | ☀ HAIR LOSS (ALOPECIA) |
| ☀ UNDERARM ODOR | ☀ GENERAL SKIN CONCERNs |

HOW IT WORKS?

- 🛡 Zinc Pyrithione 2% fights bacteria, fungi, and excess oil—calming irritation and eliminating flakes.
- 🛡 Magnesium Sulfate draws out impurities, reduces inflammation, and promotes smoother, healthier skin.

MZN Skin Repair Soap is a scientifically backed breakthrough that targets the root causes of your skin concerns—not just the symptoms. This is more than skincare – it's skin liberation.
