 HEALTH

POWER LEG TEAM CYCLE

TEAMWORK

In the RX Lifestyle Team Cycle, the Power Leg concept takes advantage of the auto-spill system, which automatically places new sponsors within the structure of a Distributor's first six Direct Sponsors. Once a Distributor reaches six direct sponsors, they gain full control over the placement of any additional Direct Sponsors moving forward.

The powerful advantage of this concept is that it fosters true teamwork, as members support each other's growth by strategically spilling their direct sponsors into one another's networks.

RISE TO RISING STAR STATUS & START BUILD YOUR FUTURE

Discover the Royal Treatment! Earn lucrative Product Cycle bonuses with repeat purchases of Royal Excellence Products. Boost your rewards by driving group sales. The more your team buys, the more you earn! It's a win-win: personal success AND team prosperity.

To achieve Rising Star status in Distributors RX Lifestyle, prioritize a product-driven approach. This requires two direct referrals (excluding trial packs) and a total of 70 boxes of Rexovit Advance, equivalent to 700 points.

These points can be earned through either personal purchases or accumulated group product points from your network organization, emphasizing both individual effort and team collaboration for success.
